

REGISTRATION

All sessions are free and open to the public. Sessions take place in the School of Veterinary Medicine on Skip Bertman Drive in Baton Rouge, La. The School is located on the corner of Skip Bertman Drive (also called South Stadium Drive and River Road). Parking is available across the street from the School. Please do not park in the Small Animal Clinic parking lot. These spaces are reserved for our patients.

Children ages 6 and up are welcome. Due to the limited space available, we ask that you pre-register your child and notify us if you cannot attend so we can give your space to someone else.

Due to the limited number of children and adults that we can accommodate, we ask that summer camps and children's centers and groups bring no more than 10 children to each session.

Please call the LSU School of Veterinary Medicine at (225) 578-9900 to register.
