

CONTINUING EDUCATION

March 1, 2000 to February 28, 2001

VCS faculty maintained a very high profile internationally, nationally and locally with presentations at the scientific level, in professional veterinary continuing education and in extension services to the animal owning public. In all, VCS faculty made 71 presentations at international meetings, 124 presentations at national meeting, 180 presentations at the state and local level, 30 lay presentations, 7 presentations to animal industry and animal owner groups, and 29 presentations at LSU.

CONTINUING EDUCATION PRESENTATIONS

International:

Colitz, Carmen M.H.

Basic Molecular Biology. The 4th Bi-annual William Magrane Basic Science Course in Veterinary and Comparative Ophthalmology. North Carolina State University College of Veterinary Medicine. Raleigh, NC. June 2000.

Colitz CMH, Lam CJ, McGahan MC. Ultraviolet Irradiation Up-Regulates Telomerase Activity in Lens Epithelial Cells. International Congress of Eye Research. 2000, p.129.

Eilts, Bruce

Meintjes M, Eilts B, Cochran R, Graff K, Denniston R, Paccamonti D, Godke R. Transvaginal intrafollicular sperm cell injection in the cyclic mare. Proceedings of the 5th Symposium Equine Embryo Transfer. Saari Finland.

Glaze, Mary B.

Companion animal ophthalmology. International Veterinary Seminars. Maui, HI. Jun 2000.

Companion animal ophthalmology. International Veterinary Seminars. Philadelphia, PA. Apr 2000.

Hedlund, Cheryl

Canine stenotic nares, elongated soft palate and laryngeal collapse: A case series of 101; Tracheal hypoplasia: A comparison of tracheoscopic and thoracic radiographic measurements for evaluation. *Proceedings of the International Veterinary Ear, Nose and Throat Association*. Amsterdam. The Netherlands. Apr 2000.

Latimer, Frederico

Laparoscopy surgery in horses; Lameness examination in horses. Pan American Veterinary Conference. Panama City, Panama. Sep 2000.

Marks, Steven L.

Critical care laboratory for veterinarians; Critical care laboratory for technicians; Thoracostomy tube placement; Pain management in the critically ill; Respiratory emergencies; The next level: Pain management; Fluid therapy; The Next Level: Pancreatitis, thoracic trauma, pyothorax; Masterclass. Initial management of trauma. North American Veterinary Conference. Orlando, FL. Jan 2001.

McCurnin, Dennis

Management for the 21st Century. Hill's Practice Management Seminars. San Jose, Costa Rica. June 2000.

Mitchell, Mark A.

Reptile-associated Salmonellosis. International Herpetological Symposium. New Orleans, LA. Jul 2000.

Mader D, Funk R and Mitchell MA. Iguana surgery laboratory; Chelonian surgery laboratory. North American Veterinary Conference. Orlando, FL. Jan 2001.

Stahl S, Funk R, Mader D, and Mitchell MA. Round table discussion: Reptiles. North American Veterinary Conference. Orlando, FL. Jan 2001.

Reptile clinical pathology; Medical and surgical considerations for the green iguana; Salmonella in reptiles; Renal disease in the green iguana; Reptile and amphibian anesthesia; Medical management of raccoons; Update of Salmonellosis in iguanas. North American Veterinary Conference. Orlando, FL. Jan 2001.

Moore, Rustin M.

Pathophysiologic role of endothelin-1 in equine acute laminitis. Havemeyer Foundation Workshop: Equine Immunology 2001. Sante Fe, NM. Jan 2001.

Selected cause of poor performance in horses; Treatment of musculoskeletal infections in horses; Umbilical remnant infection in foals; Uroabdomen in foals; Patent urachus in foals. Equine critical care Masterclass; Managing equine colic, Masterclass. The North American Veterinary Conference. Orlando, FL. Jan 2001.

Paccamonti, Dale

Fresh cooled canine semen: The male perspective; The female perspective; Semen

evaluation for everyday use; Canine infertility. Proceedings of the North American Veterinary Conference. Orlando, FL. Jan 2001.

Pechman, Robert

Film reading sessions. International Veterinary Radiology Association. Obihiro, Japan. Aug 2000.

Pettifer, Glenn R.

Peri-operative use of opioids; Anesthetic management of trauma patients; What is your pulse oximeter telling you; Pain control in dogs and cats; Monitoring equipment. North American Veterinary Conference. Orlando, FL. Jan 2001.

Taboada, Joe

A case-based approach to the patient with possible endocrine disease; Feline case presentation - So you just can't face it today?!; A case-based approach to the patient with dermatologic manifestations of internal disease; A case-based approach to the icteric cat; A case-based approach to the hypercalcemic dog; Who done it? Miscellaneous cases from the files of LSU. 5th Biennial Windjammer VPQ Seminar. St. Vincent, Eastern Carribean. Nov 2000.

Gastrointestinal endoscopy lab; Feeding tube placement lab; Feline hyperthyroidism: Endocrine update; Master class case discussions: Battle of the bloods [with Ingwersen]; Master class case discussions: Mortality rounds [with Hawkins]; Clinical pathology: Case discussions [with Ingwersen]; Drug pearl: Deprenyl. 67th Annual Meeting of the American Animal Hospital Association. Toronto, Ontario, Canada. Apr 2000.

Tully, Thomas N.

Tully TN, Lightfoot T, Speer B. Avian Soft Tissue Surgery Wetlab. North American Veterinary Conference. Orlando, FL. Jan 2001.

Osofsky A, Jowett PLH, Hosgood G, Tully TN. Normal blood concentrations for lead, zinc, iron and copper in Hispaniolan Amazons (*Amazona ventralis*). Proceedings of the Association of Avian Veterinarians. Portland, OR. August 2000.

Williams, Jamie

Radiographic interpretation of pleural disease in the dog and cat; Radiographic interpretation of pulmonary parenchymal disease in the dog and cat; Radiographic interpretation of

pulmonary airways (trachea, bronchi, bronchioles) in the dog and cat. 21st Congresso Brasileiro de Clínicos Veterin_rios de Pequenos Animais. Àguas de Lindóia, São Paulo, Brazil. Sep 2000.

Radiography and ultrasonography of exotic animals - demonstration; Diagnostic imaging case studies - exotic animals; Normal sonographic anatomy of the abdomen or coleomic cavity; Diagnostic radiology of the abdomen; Diagnostic radiology of the thorax; Knobology (controls and image manipulation); Ultrasound basics. Diagnostico por Imagenes en Especies Silvestres y no Convencionales. Buenos Aires, Argentina. Sep 2000.

National:

Angel, Kenneth L.

Bovine neurologic disease: Case presentation; Bovine track coordinator; Bovine track moderator. American Bovine Veterinary Practitioners Symposium. Dallas, TX. Jun 2000.

Colitz C.M.H.

Colitz CMH, Lam CJ, McGahan M.C. Ultraviolet Irradiation Up-Regulates Telomerase Activity in Lens Epithelial Cells. Annual Meeting of the American College of Veterinary Ophthalmologists. 2000, p.21.

Colitz CMH, Lam CJ. Immunocytochemical staining for telomerase and TRT in lens capsule whole mounts. Annual Meeting of the American College of Veterinary Ophthalmologists. 2000, p.22.

Dunning, Dianne

Principles of surgical oncology; Is it cancer? Biopsy techniques; Expected post-operative complications in the cancer patient; New perspectives on hemangiosarcoma; Surgical management of cancer in the ferret; Getting the most from the orthopedic examination; Feline orthopedics; Decision making in fracture repair; Bone grafting; Posttraumatic osteomyelitis: Diagnosis, treatment, and prevention. American Veterinary Medical Association Annual Convention. Salt Lake City, UT. July 2000.

Johnson, Stephanie W.

Care beyond care: Practicing at the pinnacle for personal, financial and financial success; Setting up for cancer care; Building the veterinary health care team; Communication, hearts and the bond; When the bond is broken (6.5 hours). AHT's role in compassionate care (3

hours). Veterinary Program AAHA Annual Meeting, Toronto, Ontario. Apr 2000.

Latimer, Federico

Conservative management of fractures in horses. American College of Veterinary Surgeons Annual Meeting. Arlington, VA. Sep 2000.

Marks, Steven L.

Endoscopy laboratory. Veterinary Emergency and Critical Care Society Annual Meeting. Orlando, FL. Sep 2000.

Respiratory distress, Pain management, Selected critical care procedures; Emergency and critical care laboratory for technicians. American Veterinary Medical Association. Salt Lake City, UT. Jul 2000.

Pain management, CPR, Transfusion medicine, Selected critical care techniques; Oxygen therapy, Buccal mucosal bleeding time, Pentoxifylline, Fluid therapy. American Animal Hospital Association. Toronto, Canada. Apr 2000.

Mauldin, Glenna E.

Combination chemotherapy with mitoxantrone-based maintenance for the treatment of canine lymphoma (CHOP-MA) (15 minute abstract). Twentieth Annual Veterinary Cancer Society Meeting. Asilomar, CA. Oct 2000.

Practical management of feline lymphoma; Feline soft tissue sarcomas; Should I refer this cat for radiation therapy?; Feline oncology: cats are not dogs! 137th American Veterinary Medical Association Annual Convention. Salt Lake City, UT. Jul 2000.

Practical assessment of nutritional status and requirements; Critical care nutrition; Case presentations in clinical nutrition; Current trends in prescription pet foods I; Current trends in prescription pet foods II. 67th Annual Meeting of the American Animal Hospital Association. Toronto, Ontario. Apr 2000.

Mauldin, G. Neal

Update from the Veterinary Cancer Society. Proceedings of the American College of Veterinary Internal Medicine. Seattle, WA. 2000.
